

The Package of Ragnarok
By: Kaiser Godfather I

The Peace of Ragnarok

The Confederacy of Annihilation recently has gone through a small series of attacks from the rebels lead by I Crush All. On November 19th 2012 the rebels agreed to become a protectorate of the Confederacy of Annihilation. The rebels will swear allegiance to the Kaiser and the Confederacy of Annihilation will agree to a peace between us. The Confederacy of Annihilation will also protect I Crush All and all who swear allegiance through him to the Confederacy of Annihilation. On that note the Confederacy of Annihilation holds Parliament meetings on Mondays, at such time I Crush All will come to the sessions every Monday and swear his allegiance and his clan's allegiance to the Kaiser. In the event of the Peace of Ragnarok is failing to be in the best interests of I Crush All's clan he can come to the first meeting of any month and try and negotiate a new deal. The rebels are not ever permitted to break the Peace of Ragnarok.

Oath of Allegiances
