

The United Soldiers of Reach has stolen the Confederacy of Annihilations Clan Alert System. These pictures and evidence will also be on the following page. Because the United Soldiers of Reach have stolen, without permission from the Confederacy of Annihilation. Because of this action the Confederacy of Annihilation along with all of its Colonies and Protectorates along with some of these Alliances has decided it issue this ultimatum to President Min B174 SIII

“We the Central Powers have answered the call to arms to defend the ideas of our membership. The United Soldiers of Reach have stolen the Alert system from the Confederacy of Annihilation and as such they will submit to the following or they will be war. We demand that they put up on their website that godfathef was the creator of the gifs for the alert system, as requested on the Confederacy of Annihilations website. We also demand that they become Protectorates of the Confederacy of Annihilation; these terms will be discussed later. Also they will taken down all pictures on their website that are the property of Creed and make another recruitment video In return for agreeing to these terms the Confederacy of Annihilation, Creed, The Dark Assassins and The Saying will enter into Alliances with the United Soldiers of Reach. The Confederacy of Annihilation will also help the United Soldiers of Reach create there recruitment video, if asked.” Those are the terms of the ultimatum. Evidence is on the other page.
